Reg. Please let me know if he is mentioned in any old files. I think we made inquiries before paying a man called Lienhard.

SECTION 2 SUMMARY

Date January 12, 1933

Subject (in full) Comrade Lienhard

With reference to the memo of the Officer i/c Special Branch dated January 5, 1933 on the subject of comrade Lienhard who, according to an article published in the "China Digest" of October 22, 1932 (page 158) was the predecessor of comrade Ruegg and passed unmolested all through China and Japan openly flouting his I.A.H. (Workers International Relief) credentials in 1927. I have to state that Lienhard's name is mentioned in the Municipal Police records on two occasions:-

1. An account published in the "Canton Gazette" of July 11, 1925 on the "Popular Mass Meeting at Peking on June 30, 1925, Protesting Against Shameen Shakee Massacre" contains the following passage:-

"German Labour Leader

"Federich Lienhard who also attended the meeting representing the International Labour Unions, said in his speech that the workmen of the world will fight together against their common enemies, Imperialism and Capitalism. He would wire London and elsewhere and tell the actual conditions of the Chinese to the labouring brethren in other lands" (I.O. File No 6380).

2. A certain Lienhard was among the passengers who left Shanghai for Vladivostok on board the s.s. "Haitan" on August 11, 1927. (I.O. File No 8343)
